

This holiday is no picnic for

The newest addition to James Patterson's bestselling Women's Murder Club series, *4th of July*, is here! Hoping to escape the stress of a looming police brutality charge, Lindsay Boxer runs off to beautiful Half Moon Bay. But she arrives to find that she has traded one set of problems for another. A string of vicious murders plagues the town, and she, along with her friends in the Women's Murder Club, must face ruthless adversaries to stop the spree and uncover the mystery behind an unsolved murder from years ago.
