THE DRAGON'S BRIDE

by

Jo Beverley

Signet Paperback Original

She dazzled readers with *Devilish*, hailed by *Library Journal* as “*Exquisitely sensual*” and *Publisher’s Weekly* as “*Sizzling*.” Now *New York Times* bestselling author Joe Beverley delivers another sizzling new novel of treasure – and temptation – an tantalizing pleasures... Com Somerford, the new Earl of Wyvern, arrives at his fortress to find a woman from his past waiting for him – pistol in hand. Susan Kerslake, the new housekeeper at Crag Wyvern, was drawn back to Con’s home by rumors of hidden gold and to help her family’s smuggling operation...The magic they once shared was destroyed by youthful arrogance and innocence. The years have hardened him, and the years at home have softened her...but can time teach them both to seize the passion that only comes along only once – or twice – in a lifetime?
